COURIER

CLYDE HIGH SCHOOL

MCMIV

Dedication

Russell West

We, the Senior Class of '55 are happy and honored to dedicate our year-book, The 1955 Courier, to Mr. Russell West. Mr. West has, as our class sponsor, given much of his time in assisting us with our class projects. He also has, as a friend, helped us work out some of the many problems which confront high school students.

Mr. West was born in York, Pennsylvania. There he graduated from William Penn Senior High School, and then attended York Junior College. He furthered his education at Ohio University in Athens, Ohio where he majored in English and received his BSSED degree. Mr. West was a member of the Tau Kappa Epsilon Fraternity.

He did his graduate work at the University of Wisconsin and Western Reserve in Cleveland where he received his Masters Degree in Library Science.

Mr. West taught at Caledonia High School before coming to Clyde.

He also served five years in the United States Air Force.

Outside of his school activities Mr. West enjoys dramatics, reading, music, and athletics.

Again, we express our thanks and appreciation to Mr. West for his outstanding work for us and our school.

VIRGIL J. BRIEGEL

Superintendent

TOP ROW—Ben Davis, President, Mrs. John Jackson, Gordon Tarris.

Board Of Education

Clyde High School has been the recipient of many improvements this past year through the untiring efforts of Mr. Briegel and our Board of Education.

We are very fortunate to have the benefit of their co-operation in educational guidance in our social, as well as scholastic activities.

We, the Seniors of '55, truly thank Mr. Briegel and the Board for their invaluable services that they have so willingly and successfully performed.

We can honestly speak of them as fine leaders for both our school and our community.

DR. WM. COZAD

In Memoriam

The death of Dr. Cozad was a great loss to our school as well as to the community.

Dr. Cozad was vitally interested in our school and its problems. This interest was reflected not only at Board of Education meetings, but also in his frequent attendance at our school functions.

He will be long remembered in Clyde, both as a community leader, and as a valued friend.

SENIOR CLASS HISTORY

About 1937 a great event occurred! The graduates of '55 were born.

We started out in the first grade with Miss Wehr, Miss Cleveland, and Mrs. Grey as our teachers.

In the second grade we had our great "toy band" and most of us had Miss Bertha as our teacher.

In the third grade we were playing "high water, low water" and had lots of fun going to the movies and, Oh! How the boys enjoyed crawling under their seats and scaring the girls! You should have heard those girls squeal! This year is when we were really just beginning to write.

A new subject came up in the fourth grade—Geography! with Miss Rule as our teacher.

About this time is when we began to play "Chase" and having loads of fun, especially when the boys caught the girls, (remember what happened)? This year we also had lots of fun when we went to the zoo in Toledo.

Mrs. Greek liked to read us stories in the sixth grade, and liked us to try to touch our toes so she could exercise her paddle. What about the time when we were all busy picking up the beads that Mrs. Greek had lost from her necklace!

By the way, how about some of the coincidences when Don Taylor's tongue froze to the slide on the play ground and Tom Smith's froze to something else. Wasn't it Donnie Taylor who also took all the boys' pants? What a disaster! !

Senior Class History

Then finally, we made the long trip between the two buildings into the high school building where we thought we were really DOOMED. Mr. Moist helped most of us and tried to get us situated and to boost our morale. Boys, do you remember when Miss Van Thorn tried to paddle Bill Rathbun all the time, but she never did get around to it, and when Phil Broad put salt in her tea? In the seventh grade, the girls gave our teacher and the home room mothers a dinner. This year is when we also produced our great operetta "Sourwood Mountain." And how much fun we had with it! We were very unfortunate to lose one of our members, Gary Strecker.

We were now in the eighth grade and had lots of fun, especially the hayride we had.

At last we entered our first year of Senior High. We were the great Freshmen of Clyde High. We thought we were big, but there were still three other grades towering over us, which we had to conquer. We began to have some big parties and some money-making ordeals. That year, for the Junior Prom, most of us signed up to serve, and the Juniors drew the names from a hat. Those lucky ones were: Carolyn Mesnard, Virginia Mesnard, Sonja Norman, Carol Rakes, Phil Broad, Roger Kuns, Lowell McRobb, and Tom Smith.

As Sophomores, we had a new, interesting subject, Biology! And can you remember those great cats? Ugh! This year our World History class went to the Toledo Museum. By the way, do you remember when Carol Grey cut her hand?

We finally reached the year we had been waiting for, the Junior year. We sold so many things this year to build up our treasury for the Junior Prom, among which were: Mother's Day Cakes, Christmas Wreaths, and plenty of bake sales. With all the money we had earned in our past years, we gave the great Junior-Senior Prom, with the theme being, "A Night in Granada." We also gave the great Junior Class Play, "Room for One More," which was a huge success. This is the year when we received our beautiful *Junior Class Rings*. In the middle of the year all the Juniors along with the Seniors went to Gibsonburg High for the Annual Career Day.

Here is the year! Our Senior year, which in this year, the S standing for Salesmen! We sold billfolds, season basketball tickets, book covers and gave movies, bake sales and dances. We won \$50 for being the highest class of salesmen in the annual magazine drive. After many of our football games we had a lot of parties and oh, the fun!

Our Senior Play to be presented is entitled, "The Man Who Came to Dinner." Remember the first night of play practice when Mary Atkins dropped her glasses in the sewer uptown? We are hoping for a successful play and looking forward to the Senior Assembly and the wonderful Senior Class Trip.

We shall graduate this year of 1955 and in leaving, all the seniors from A to Z will miss good ole' Clyde High and look back on it as memories to remember and to thank everyone for the fine education and co-operation that was given to us. We all can truly say, "We've had a wonderful time."

We hate to say good-bye, so we will just say, "We'll be seeing you!"

Remembrance at Seven

What was it they taught me,
When I was but seven?
Was the learning in books
most important?
No!
It was gay, odd events,
That came from nowhere,
A smile, or the style of
Teacher's hair;
Wrong answers and tears
Of an erring friend;
Someone's birthday
Shared with the class;
A first love
Shared with some lovely lass.
No!
Books and learning came after,
But at seven there was only laughter.

To 1955 Courier Readers

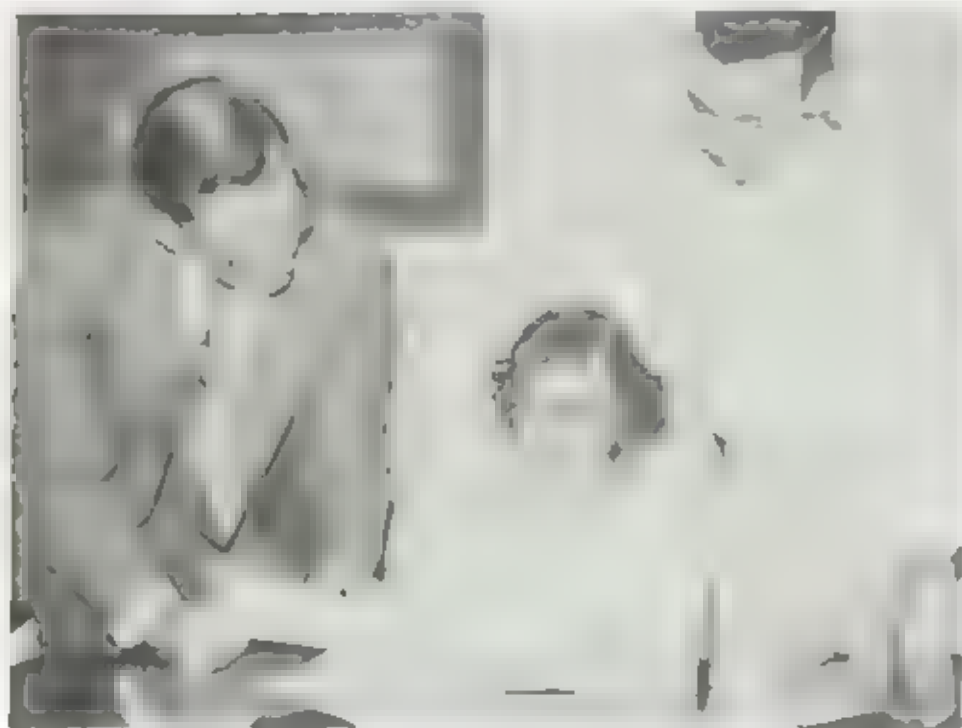

My 1955 Courier staff of eleven hard working and untiring Juniors and Seniors have done a most commendable job. This year's staff had all of the usual problems plus several added unusual and serious situations to deal with. The seriousness of these problems was felt by all concerned.

The financial situation is at present a critical problem. The poor showing on the magazine drive, the high cost of production and printing, and the lack of sources of added revenue have placed the yearbook finances in a most serious condition.

Space is another seemingly unsolvable problem. The school population is growing at the rate of fifty students per year. The number of classes, organizations, and activities is increasing accordingly. The size of the book is based on needs of three years ago. Yet, there is no possibility of increasing the size so long as our financial condition is not relieved. The result is crowding and omitting.

Despite these troublesome situations, the staff has once again published a work of quality, a tribute to our school.

Meet The Staff

Mr. Koester, Molly Freese, Tom Smith

CO-EDITORS — Mollie Freese and Tom Smith shared the responsibility of planning, organizing assignments for preparing and assembling the material for the book. The results speak for themselves. As in the past the editors have placed a real challenge in the hands of future yearbook staffs.

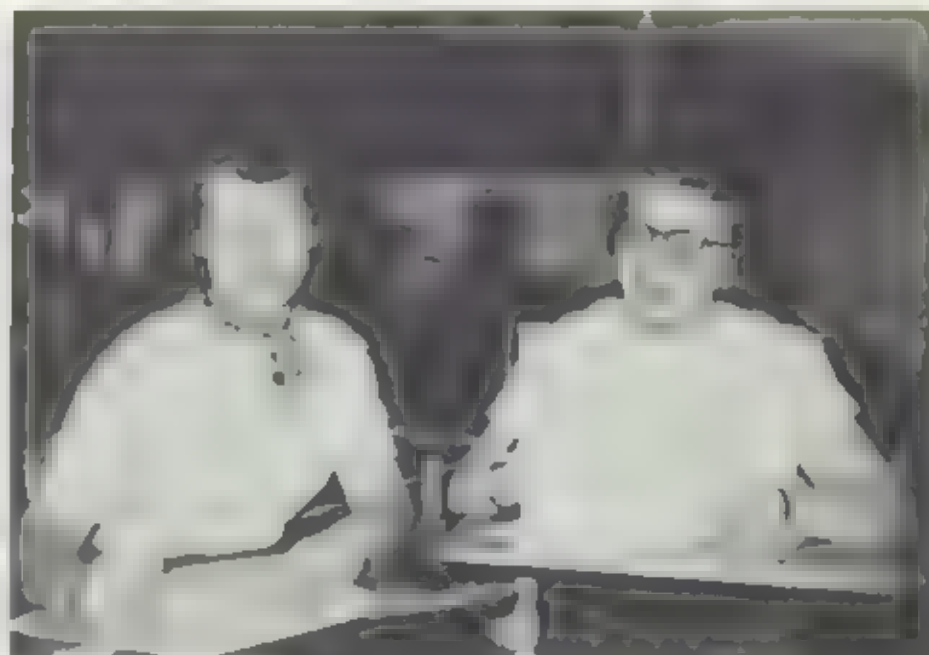

BUSINESS and FINANCE — Faye Leber, Marilyn Murphy, and Dianne Simon proved to be a most valuable trio in dealing with the problems of their department. Faye served as my business typist. She also assisted Marilyn in the preparation of all typing needed in the yearbook layout. Dianne worked hard to keep money in our treasury and to keep our bills paid. She headed the magazine and yearbook drive.

Marilyn Murphy, Dianne Simon, Faye Leber.

Class Editors--

Ann Kochendoerfer and Sonja Norman had charge of all classes. Their job included senior writeups and identifying and arranging of all other classes. They also worked up the senior class history.

Sonja Norman

Ann Kochendoerfer

Art and Sport Editors--

Frank Humberger

Carol Behnke

Carol Behnke and Frank Humberger handled their assignments most satisfactorily. Carol was responsible for the beautiful division pages and for arranging and identifying the organization section. Frank worked tirelessly on his job of squeezing the ever increasing sport department into a shortened page allotment.

Photographers--

George Brutcher and Clarence Jones supplied prompt and efficient results for our informal picture needs. They deserve much credit for their contribution and also, many thanks for using their personal equipment.

The staff worked together well and helped one another a great deal. Many of the "old faithfuls" spent as much or more time helping fellow staffmembers, as well as they did on their own assignments. I greatly appreciate the work that each and every member put into this book. Certainly, the school owes these people much appreciation for this symbol of the 1954-'55 school year

Sincerely

PAUL R. KOESTER

About The Choruses

The High School Choruses total enrollment is approximately one-hundred and sixty. There are three different groups, the eighth grade chorus of fifty-five members, a Freshman-Sophomore chorus of seventy members, and a Junior-Senior Choir of thirty-five members. To be a member of the Freshman-Sophomore chorus, one must first sing in the eighth grade chorus, or have a tryout. To be a member of the Junior-Senior Choir, one must have at least one year in the Freshman-Sophomore Chorus and have a tryout.

The main functions of the Choruses are, The Christmas Concert, a winter or early Spring Concert, and a late Spring Concert. Other programs are also participated in by at least one group, such as the Thanksgiving Assembly, the Christmas Assembly, and Baccalaureate Services. This year some of the chorus members attended the district Band and Chorus Contests, at Bascom, but only as spectators. It is hoped that the Junior-Senior Choir will be able to participate in the contest activities by next year.

History Of The Clyde High Band

The Clyde High Band was reorganized in the fall of 1948. Then a band of 27 members it has rapidly grown to membership well above 80. The entire equipment of the band consisted of eight worn out musical instruments.

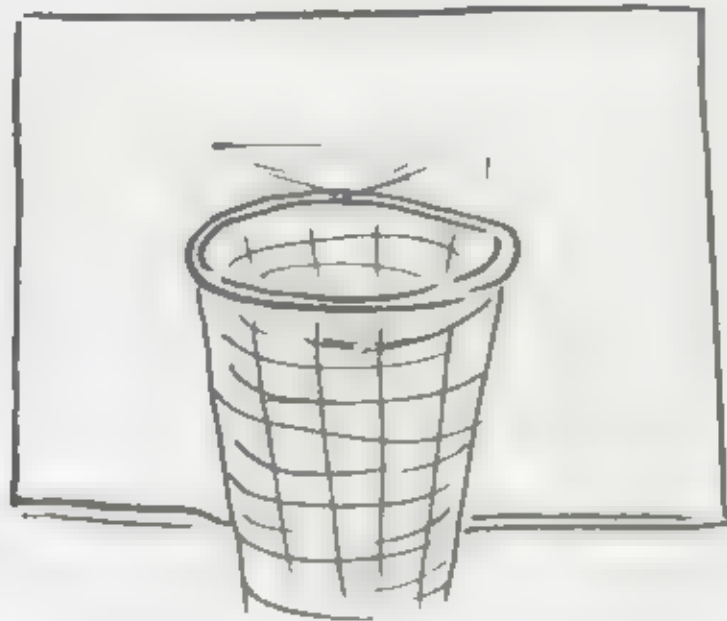

As the band had no uniforms, the Clyde Exchange Club put on a campaign and bought the first 50 uniforms. It was at the conclusion of this campaign that the Music Association of Clyde Schools was formed for the purpose of supporting the band by raising money to keep the band properly equipped with instruments and uniforms. The Music Association inaugurated "Band Tag Day," an annual affair that Clyde people have donated approximately \$2000 each year. The eight worn out instruments have been replaced by 104 instruments, many of them of the finest makes. They are used in the High School Band, in the Junior Band and as training instruments. Uniforms have been added until at present we have over 90 with Mrs. E. H. Whittaker, the able caretaker. The music room was remodeled and a storage room and two practice rooms added during the recent building program.

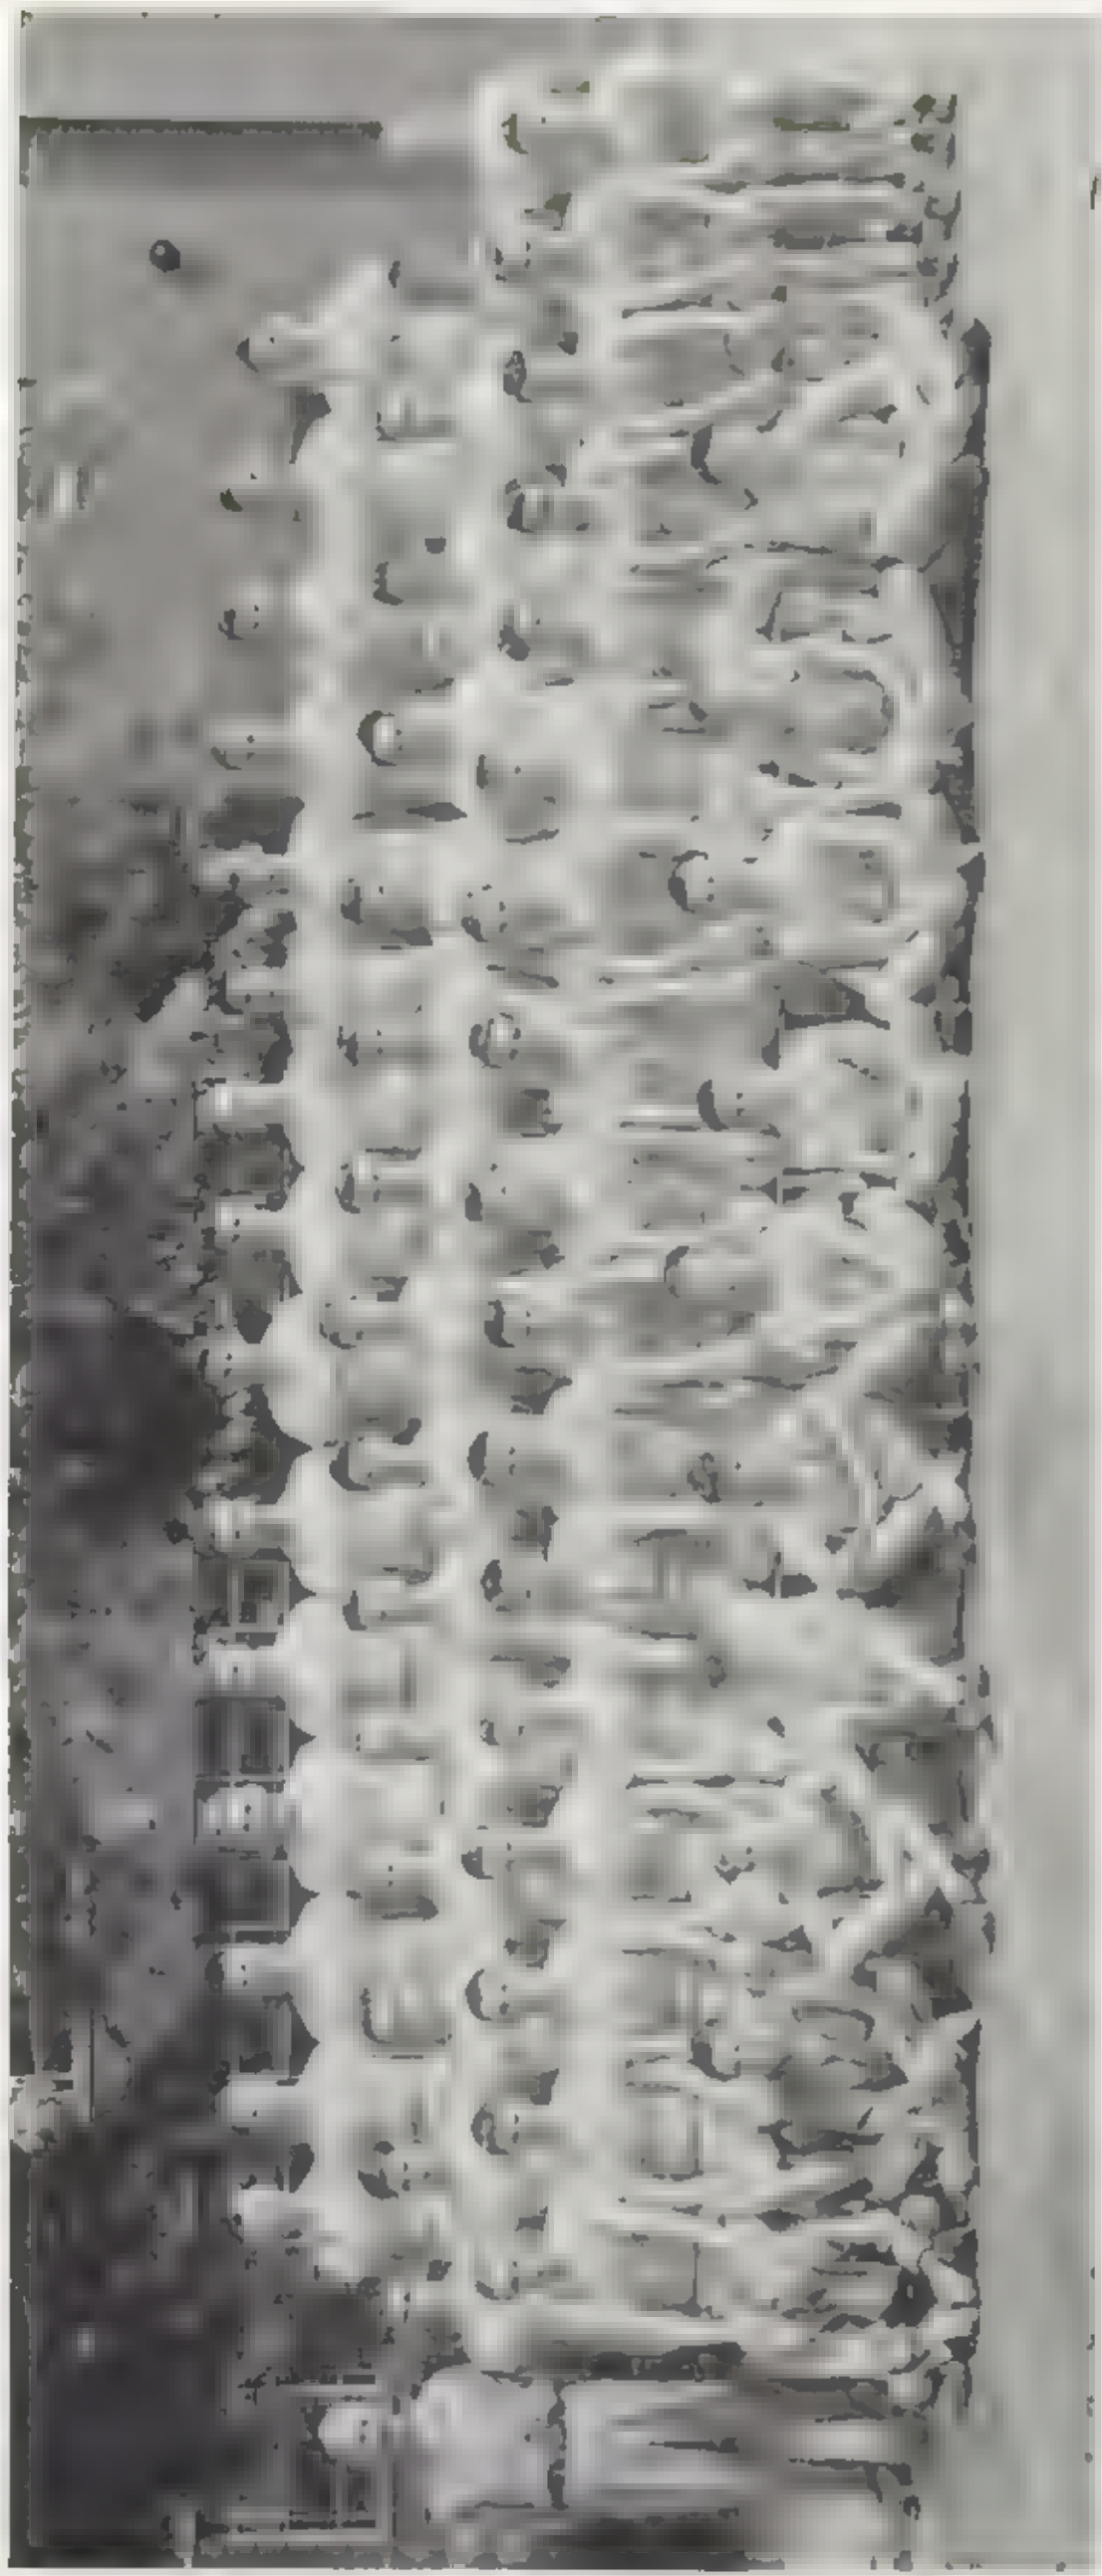

For the last several years the band has appeared in uniform between 40 and 50 times each year. Their fancy marching on the football field and also in parades plus the band's fine contest record has made the band so popular that they are unable to accept all the invitations to play which they receive. The band serves Clyde first and then accepts other engagements until the schedule is full.

Coming from the membership of the band are many fine solos and ensembles. As this book goes to press twenty such solos and ensembles have made the "I Superior" rating at the District contest. These small groups and solos are much in demand during the school year by the various clubs and organizations of the community.

It is the wish of the band and their directors that they may continue to serve the school and community well enough to merit their continued support.

Track Comments

The 1954 Edition of Track at Clyde High School was hardly as successful as the 1953 edition. Future opponents of the Fliers will probably remember several of the youngsters who performed so well while they were young and inexperienced.

The 1954 season marked the first loss in dual competition in five seasons to a well-balanced and well coached Willard High School team.

The Fliers entertained Upper Sandusky in the opening meet and scored an impressive 77 1/5 to 40 1/5 victory over the Wyandot County Team. Upper Sandusky has never defeated Clyde in a track meet. The Blue and Gold thinclads next entertained their "cousins" from Sandusky St. Mary's and won as they pleased 105 to 13.

Tougher opposition faced the Fliers as Port Clinton came to Clyde and went home behind in score 52 to 28 after an abbreviated meet due to rain.

The Fliers then went down to defeat at Willard 71 1/4 to 46 3/4. The Willard Tracksters are scheduled to come to Clyde in 1955.

The Clyde Relays saw the 1953 State champions, Clyde win over the 1954 state champions, Nevada by a single.

The Sandusky Bay Conference Meet, having been won by the Fliers for three consecutive seasons, saw a new champion in Oak Harbor. The Rockets have been looking at the heels of the Fliers for several seasons. The more experienced Oak Harbor team won the District Track Title with the Fliers winning a runners-up spot.

The 1955 Fliers have a possibility of 31 lettermen ready for competition in dual meets which will probably be Willard, Port Clinton, plus another class A school and the major engagements which will include the Clyde Re-

Baseball Comments

Completing the season with a fine 6 won, 2 loss record, the '54 team has left some enviable records for following Flier teams to shoot at. The Fliers scored 53 runs to their opponents 14; made 61 hits to their opponents 19. As a team the Fliers batted .278, 61 hits in 219 times at bat. The one glaring weakness which led to the two losses was the committing of 16 errors in eight games.

Paul Roth received the batting trophy with an average of .481, 13 hits in 27 times at bat. Other members of the team batting over .300 were Bob Gray .365, and Bob Metzgar .310. John Fiser, Louis Keegan, and Paul Roth each scored 7 times to lead in that department.

Lefty Bob Gray was the ace of the mound staff, allowing no earned runs while winning 6 and losing 1. Bob compiled 95 strike outs in 46 innings pitched and gave up but 12 hits.

Gray and second baseman Bob Michaels completed their fourth year as regulars. Also leaving the Fliers through graduation are catcher Paul Roth, first baseman John Fiser, shortstop Norm Thayer, and outfielders Louis Keegan and Dean Ernsberger.

Football Comments

The 1954-55 football season was not a complete success in the win and loss column, as we ended our season with a four win and five loss record. But as far as co-operation, spirit, and teamwork, the season was a winning one.

The boys, with a few breaks their way, could have won three of the four games that they lost. Only in one game did I feel that we were completely out-manned and out-played. At no time during the season did our boys give up or quit. They were always trying, and as long as boys try to do their best, that is all you can ask.

We have many vacancies to fill on our team for next year, as we lose twelve seniors. But if the spirit, determination, and teamwork continue to improve, Clyde will soon have better football teams.

We were fortunate to have one boy, Frank Humberger, make All-Conference Offensive and Defensive Tackle.

Only through hard work, desire, and determination can we help to improve and accomplish winning teams at Clyde High School.

I wish to thank the coaching staff, the students, faculty, and other followers of our teams for their co-operation throughout the football year.

Senior Basketball

Basketball

The 1949 basketball season although not a great success in the matter of wins, was one that would be hard to match in the amount of thrills provided. Five games were decided in the last minute of play, one in overtime.

The pattern of the play for the season was set from the start with the Fliers winning a game and then losing one. If the Fliers could have shot with a greater degree of accuracy and consistency, many of the close games would have ended in victories. Although there were disappointments during the season, there were also some highlights for which the boys deserve credit. The defeat of Castalia for the first time in sixteen years and defeat of Sandusky St. Marys for the first time after twenty one straight losses in previous years were very happy moments for the Fliers. Then two games later the rout of Grasonburg showed what the Fliers could do when they had their shooting eye. The one point loss to St. Joe was one of the finest played basketball games of the season which could have been a win with just a little smile from Lady Luck.

Eight letter men will be lost by graduation from this year's squad are Jim Stevenson, Bill Taylor, Mike Talbot, Bob Metzgar, Don Fought, LaMar Frederickson, Don Steeter and Cliff Doebel. Returning lettermen will be Ed Dornier, Harold Jennings and Norm Noss, forming a nucleus for next year's squad. The squad elected Jim Stevenson and Bill Taylor honorary captains for the 1945 season. Jim Stevenson received the trophy for the outstanding senior and also a trophy representing the honor of being selected All S.B.C. second team.

The award for the best foul shooting percentage went to Bill Taylor and N. Van Ness. So as we write this to the '34-'35 basketball season we hope that something more than just a record of wins and losses was realized by this group of boys.

The agenda of the All Sports Team of the Girls' Athletic Association has been very successful this year.

The season was initiated in Bellevue with a Quintangular meet involving Clyde, Fremont, Ross, Norwalk, Sandusky, and the host, Bellevue.

On January 25th the team visited Genoa for a basketball game. The Clyde Reserves were victorious, 28 to 25. However, the Varsity was defeated by the Genoa squad, 20 to 13.

Clyde High School was host to the Woodville girls on February 3rd. Included in the program was volleyball, basketball, rope jumping, dancing and tumbling. A very agreeable social hour followed.

One of the highlights of the year was a trip

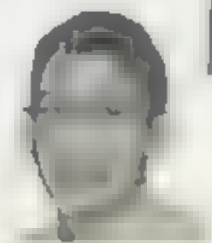

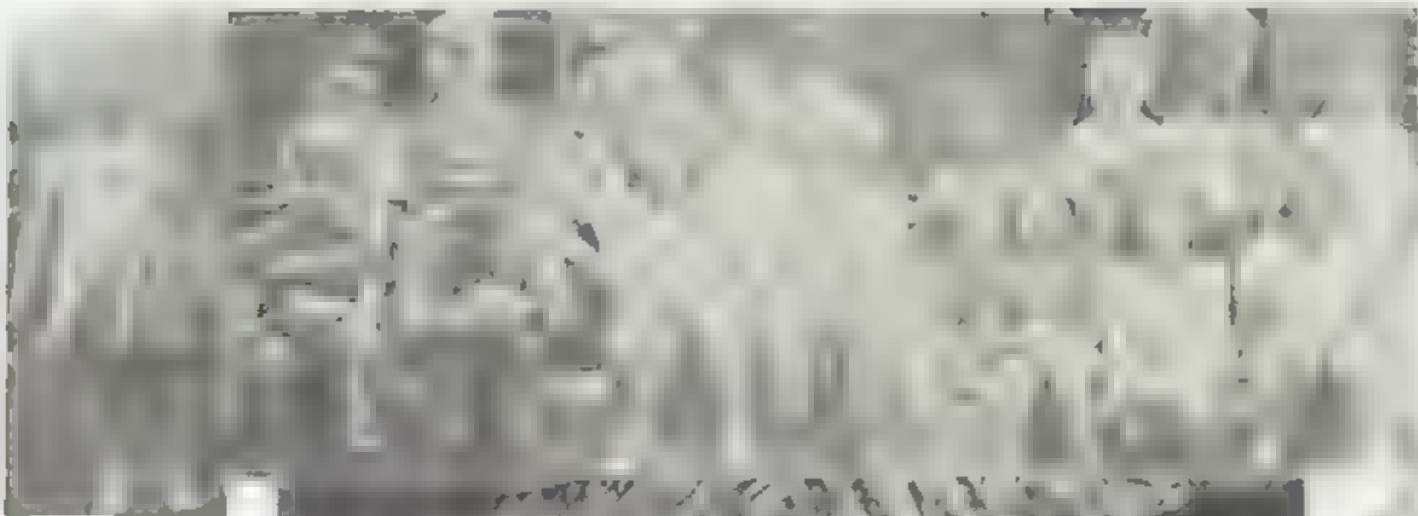

to Oberlin College to witness the traditional basketball game of the Oberlin College Coeds. This game involves two chosen girl teams who play under the names of Princeton and Yale.

Sports Day at Norwalk was held on February 19th. A team combined of Sophomores and Juniors from CHS, defeated the Norwalk High School girls, 38 to 4.

Woodville High School returned the graciousness of the Clyde girls by inviting the squad over to the Lime Village. After a competitive volleyball game, in which our girls were victorious, the teams divided into an intra-squad affair. The social hour was delightful and entertaining.

There are plans ahead for a return game with Norwalk and a Play Day to be held on the athletic grounds.

Music and Words by Jacqueline Mohr

The musical score is written for a four-part vocal ensemble (Soprano, Alto, Tenor 1, Tenor 2) and a piano accompaniment. The key signature has one flat (B-flat), and the time signature is 4/4. The score consists of six systems of staves. The lyrics are printed below the vocal staves, with some words appearing on two lines. The piano accompaniment is shown in the bass clef of each system.
